## **Sources for Business Cycle Indicators**

The "Business Cycle Indicators" section has been discontinued as a result of a reprogramming of resources at BEA. This listing provides the address and telephone number of each data source for the Business Cycle Indicators series. Series are listed according to their series numbers. Series identified with an asterisk were constructed by the source or the Business Cycle Indicators staff specifically for use in this publication; they may not be available in the same form elsewhere. Historical data for selected Business Cycle Indicators series begin on page C-8.
